This is an appeal for enhancement of the award as passed by the tribunal. The injured has suffered fractured on his hand and legs both. Suffering of fracture of multiple bones causes recurring pain to the injured. For these two fractures, only a sum of Rs. 12,000/- has been awarded by the Tribunal which is considered to be on the lesser side. The circumstances indicate that the injured was a Upper Division Clerk in the University, who is required to discharge his functions with utmost vigil and efficiency. With two fractures, one in hand and one in leg, his functioning would get impaired substantially. The amount of Rs.12,000/- deserves to be enhanced and is hereby enhanced to Rs. 1,00,000/-. Rest of the award is maintained. The Tribunal will pass a fresh award with the above modification.
